You are cordially invited to attend the 2023 Annual Meeting of Stockholders of AnaptysBio, Inc. to be held at AnaptysBio's corporate office at 10770 Wateridge Circle, Suite 210, San Diego, CA 92121, on Thursday, June 15, 2023 at 9:00 a.m. (Pacific Daylight Time).

The Securities and Exchange Commission rules allow companies to furnish proxy materials to stockholders over the Internet. We have elected to do so, thus reducing the environmental impact and lowering the costs of printing and distributing proxy materials without impacting your timely access to this important information. On or about April 27, 2023, we expect to mail to stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement for our 2023 Annual Meeting of Stockholders and our 2022 annual report on Form 10-K to stockholders. The Notice of Internet Availability or Proxy Materials also provides instructions on how to vote through the Internet or by telephone and includes instructions on how to receive paper copies of the proxy materials by mail, if desired.

The matters to be acted upon at the meeting are described in the accompanying notice of annual meeting and proxy statement.

**Your vote is important.**

**Whether or not you plan to attend the meeting in person, please vote on the Internet or by telephone, or request, sign and return a proxy card to ensure that your shares are represented at the meeting.**

Sincerely,

**PROXY STATEMENT FOR THE 2023 ANNUAL MEETING OF STOCKHOLDERS**

---

**To Be Held Thursday, June 15, 2023**

**INFORMATION ABOUT SOLICITATION AND VOTING**

The accompanying proxy is solicited on behalf of AnaptysBio, Inc.'s board of directors for use at AnaptysBio's 2023 Annual Meeting of Stockholders ("Annual Meeting") to be held at AnaptysBio's corporate office at 10770 Wateridge Circle, Suite 210, San Diego, California 92121, on Thursday, June 15, 2023 at 9:00 a.m. (Pacific Daylight Time), and any adjournment or postponement thereof.

**INTERNET AVAILABILITY OF PROXY MATERIALS**

Under rules adopted by the Securities and Exchange Commission ("SEC"), we are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies to each stockholder. On or about April 27, 2023, we expect to send to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including our proxy statement and our annual report on Form 10-K. The Notice of Internet Availability of Proxy Materials also provides instructions on how to vote through the Internet or by telephone and includes instructions on how to receive paper copies of the proxy materials by mail or an electronic copy of the proxy materials by email.

This process is designed to reduce our environmental impact and lower the costs of printing and distributing our proxy materials without impacting our stockholders' timely access to this important information. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

**GENERAL INFORMATION ABOUT THE MEETING**

**Purpose of the Meeting**

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, we will consider any other matters that are properly presented for a vote at the meeting. We are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly presented for a vote at the meeting, the persons named in the proxy, who are officers of the company, have the authority in their discretion to vote the shares represented by the proxy.

**Record Date; Quorum**

Only holders of record of common stock at the close of business on April 17, 2023, the record date, will be entitled to vote at the meeting. At the close of business on April 17, 2023, shares of common stock were outstanding and entitled to vote.

The holders of a majority of the voting power of the shares of stock entitled to vote at the meeting as of the record date must be present or represented by proxy at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in person at the meeting or if you have properly submitted a proxy.

## GENERAL PROXY INFORMATION

### Voting Rights

Each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 17, 2023, the record date. You may vote all shares owned by you at such date, including (i) shares held directly in your name as the stockholder of record and (ii) shares held for you as the beneficial owner in street name through a broker, bank, trustee or other nominee. Dissenters' rights are not applicable to any of the matters being voted on.

*Stockholder of Record: Shares Registered in Your Name.* If on April 17, 2023, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting, or vote in advance through the Internet or by telephone, or if you request to receive paper proxy materials by mail, by filling out and returning the proxy card.

*Beneficial Owner: Shares Registered in the Name of a Broker or Nominee.* If on April 17, 2023, your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your broker on how to vote the shares held in your account, and your broker has enclosed or provided voting instructions for you to use in directing it on how to vote your shares. Because the brokerage firm, bank or other nominee that holds your shares is the stockholder of record, if you wish to attend the meeting and vote your shares you must obtain a valid proxy from the firm that holds your shares giving you the right to vote the shares at the meeting.

### Required Vote

**Proposal 1:** Each director will be elected by a plurality of the votes cast at the meeting. This means that the three individuals nominated for election to the board of directors at the meeting receiving the highest number of votes cast "FOR" that nominee will be elected. You may either vote "FOR" one or more of the nominees or "WITHHOLD" your vote with respect to any or all of nominees. You may not cumulate votes in the election of directors.

**Proposal 2:** Approval of the ratification of the appointment of our independent registered public accounting firm will be obtained if the number of votes cast "FOR" the proposal at the meeting exceeds the number of votes cast "AGAINST" the proposal.

**Proposal 3:** The advisory vote on named executive officer compensation will be obtained if the number of votes cast "FOR" the proposal at the meeting exceeds the number of votes cast "AGAINST" the proposal. This vote is advisory and non-binding in nature.

**Proposal 4:** Approval of our Amended and Restated Certificate of Incorporation will be obtained if the holders of a majority of our outstanding shares vote "FOR" the proposal at the meeting.

A proxy submitted by a stockholder may indicate that the shares represented by the proxy are not being voted (stockholder withholding) with respect to a particular matter. In addition, a broker may not be permitted to vote on shares held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock (broker non-vote). The shares subject to a proxy which are not being voted on a particular matter because of either stockholder withholding or abstaining or broker non-votes will count for purposes of determining the presence of a quorum, but are not treated as votes cast and, therefore, will have no effect on the election of directors, the ratification of the appointment of KPMG LLP or the advisory vote on our named executive officer compensation. Abstentions and broker non-votes will have the effect of an "against" vote for the proposal to approve the Amended and Restated Certificate of Incorporation. Proposal 2 is considered a routine proposal and is subject to the discretionary vote of the broker.

### Recommendations of the Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The board of directors recommends that you vote "FOR" the election of each of the Class III directors named in this proxy statement (Proposal 1), "FOR" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023 (Proposal 2), "FOR" the non-binding advisory vote on named executive officer compensation (Proposal 3), and "FOR" the approval of an Amended and Restated Certificate of Incorporation to permit the exculpation of officers (Proposal 4).

## **Voting Instructions; Voting of Proxies**

If you are a stockholder of record, you may:

- vote in person - we will provide a ballot to stockholders who attend the meeting and wish to vote in person;
- vote through the Internet or by telephone - in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or
- vote by mail - if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the proxy card and return it as soon as possible before the meeting in the envelope provided.

Votes submitted through the Internet or by telephone must be received by 11:59 p.m., Eastern Time, on June 14, 2023. Submitting your proxy, whether by telephone, through the Internet or by mail if you request or received a paper proxy card, will not affect your right to vote in person should you decide to attend the meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct it how to vote your shares.

For Proposal 1, you may vote “FOR” each of the nominees to the board of directors or you may withhold your vote from any nominee you specify. A withhold vote will have the same effect as a vote to abstain.

For Proposal 2, Proposal 3 and Proposal 4, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our board of directors stated above.

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute “broker non-votes” (as described above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the meeting.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

## **Expenses of Soliciting Proxies**

We will pay the expenses associated with soliciting proxies. Following the original distribution and mailing of the solicitation materials, we or our agents may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Our directors, officers and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail or otherwise. Following the original distribution and mailing of the solicitation materials, we will request brokers, custodians, nominees and other record holders to forward copies of those materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, we, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

## **Revocability of Proxies**

A stockholder of record who has given a proxy may revoke it at any time before the closing of the polls by the inspector of elections at the meeting by:

- delivering to our Corporate Secretary (by any means) a written notice stating that the proxy is revoked;
- signing and delivering a proxy bearing a later date;
- voting again through the Internet or by telephone; or
- attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke or change any prior voting instructions.

### **Electronic Access to the Proxy Materials**

The Notice of Internet Availability will provide you with instructions regarding how to:

- view our proxy materials for the meeting through the Internet;
- instruct us to mail paper copies of our future proxy materials to you; and
- instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

### **Voting Results**

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The preliminary voting results will be announced at the meeting and posted on our website at <http://ir.anaptybio.com>. The final results will be tallied by the inspector of elections and filed with the SEC in a current report on Form 8-K within four business days of the meeting.

### **Implications of being a “Smaller Reporting Company”**

We are a “smaller reporting company,” as defined in Rule 12b-2 under the Exchange Act of 1934, as amended (the “Exchange Act”), and have elected to provide in this proxy statement certain scaled disclosures permitted under the Exchange Act for smaller reporting companies. We will remain a “smaller reporting company” until the fiscal year following the determination that our voting and non-voting common shares held by non-affiliates is at least \$250 million measured on the last business day of our second fiscal quarter, or our annual revenues are at least \$100 million during the most recently completed fiscal year and our voting and non-voting common shares held by non-affiliates is at least \$700 million measured on the last business day of our second fiscal quarter. Accordingly, the information contained in this proxy statement and the matters to be voted on at the Annual Meeting may not be as extensive as the information and proxy proposals submitted by other public companies that are not smaller reporting companies.

## CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

We are committed to good corporate governance practices. These practices provide an important framework within which our board of directors and management pursue our strategic objectives for the benefit of our stockholders.

### Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions and other policies for the governance of the company. Our Corporate Governance Guidelines are available without charge on the investor relations section of our website at <http://ir.anaptybio.com>.

### Board Composition and Leadership Structure

The positions of Chief Executive Officer and Chairman of our board of directors are held by two different individuals. Daniel Faga has served as our Interim President and Chief Executive Officer since March 21, 2022. Dr. James Topper serves as Chairman of our board of directors. This separated structure allows our Chief Executive Officer to focus on our day-to-day business while our Chairman leads our board of directors in its fundamental role of providing advice to, and independent oversight of, management. Our board of directors believes such separation is appropriate, as it enhances the accountability of the Chief Executive Officer to the board of directors and strengthens the independence of the board of directors from management. Our board of directors also has a Lead Independent Director, Mr. Hollings Renton.

### Board's Role in Risk Oversight

Our board of directors believes that open communication between management and the board of directors is essential for effective risk management and oversight. Our board of directors meets with our Chief Executive Officer and other members of the senior management team at quarterly board of directors' meetings, where, among other topics, they discuss strategy and risks in the context of reports from the management team and evaluate the risks inherent in significant transactions. While our board of directors is ultimately responsible for risk oversight, our board committees assist the board of directors in fulfilling its oversight responsibilities in certain areas of risk. The audit committee assists our board of directors in fulfilling its oversight responsibilities with respect to risk management in the areas of cybersecurity assessment and internal control over financial reporting and disclosure controls and procedures. The compensation committee assists our board of directors in assessing risks created by the incentives inherent in our compensation policies. The nominating and corporate governance committee assists our board of directors in fulfilling its oversight responsibilities with respect to the management of corporate, legal and regulatory risk.

### Director Independence

Our common stock is listed on The Nasdaq Global Select Market ("Nasdaq"). Under Nasdaq rules, independent directors must comprise a majority of a listed company's board of directors. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent. Under Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (i) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (ii) be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors has undertaken a review of the independence of each director and considered whether each director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our board of directors determined that Dr. Fenton, Dr. Jain, Dr. Marquet, Mr. Renton, Mr. Schmid, Dr. Topper, Mr. Nodelman and Dr. Ware, representing eight of our nine directors, are "independent directors" as defined under the applicable rules and regulations of the SEC, and the listing requirements and rules of Nasdaq. Our board of directors determined that Mr. Faga was an independent director during fiscal year 2021. Mr.

Faga is not independent given his role as our Interim President and Chief Executive Officer. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management, including the beneficial ownership of our capital stock by each non-employee director and the transactions involving them described in the section entitled "Certain Relationships and Related-Party Transactions."

### **Committees of Our Board of Directors**

Our board of directors has an audit committee, a compensation committee and a nominating and corporate governance committee, each of which has the composition and responsibilities described below. Members serve on these committees until their resignation or until otherwise determined by our board of directors. Each committee operates under a charter approved by our board of directors. Copies of each committee's charter are posted on the investor relations section of our website at <http://ir.anapty.bio.com>.

#### ***Audit Committee***

Our audit committee is composed of Dr. Marquet, Mr. Schmid and Dr. Ware. Mr. Schmid is the chairperson of our audit committee. Dr. Marquet, Mr. Schmid and Dr. Ware each meet the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Each member of our audit committee is financially literate. In addition, our board of directors has determined that Mr. Schmid is an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated under the Securities Act. This designation does not impose any duties, obligations or liabilities that are greater than are generally imposed on members of our audit committee and our board of directors. Our audit committee is responsible for, among other things:

- our accounting and financial reporting processes, including our financial statement audits and the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- reviewing and approving related person transactions;
- selecting and hiring our registered independent public accounting firm;
- assisting the board of directors with risk assessment and management, including cybersecurity risk management;
- the qualifications, independence and performance of our independent auditors; and
- the preparation of the audit committee report to be included in our annual proxy statement.

#### ***Compensation Committee***

Our compensation committee is composed of Dr. Fenton, Dr. Jain and Mr. Schmid. Dr. Fenton is the chairperson of our compensation committee. The composition of our compensation committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Each member of this committee is (i) an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act. Our compensation committee is responsible for, among other things:

- evaluating, recommending, approving and reviewing executive officer and director compensation arrangements, plans, policies and programs;
- administering our cash-based and equity-based compensation plans;
- making recommendations to our board of directors regarding any other board of director responsibilities relating to executive compensation;
- reviewing our compensation policies for elements of risk;
- reviewing and discussing with management the disclosures contained under the caption "Compensation Discussion and Analysis" for use in our annual proxy statement, if required; and
- performing the other responsibilities set forth in its charters as in effect from time to time.

Our compensation committee retained an independent compensation consultant, Compensia, Inc. (“Compensia”), a national compensation consulting firm, to assist in structuring our executive officer and director compensation on an ongoing basis. Compensia provided our compensation committee with market data and analyses from a peer group of biotechnology companies with product candidates in a similar stage of development and similar financial and size characteristics. Compensia has not provided our company or our compensation committee with any other services that would compromise its independence or pose a conflict of interest.

#### ***Nominating and Corporate Governance Committee***

Our nominating and corporate governance committee is composed of Mr. Nodelman, Mr. Renton, Dr. Topper and Dr. Ware. Mr. Renton is the chairperson of our nominating and corporate governance committee. The composition of our nominating and corporate governance committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Our nominating and corporate governance committee is responsible for, among other things:

- identifying, considering and recommending candidates for membership on our board of directors;
- developing and recommending corporate governance guidelines and policies;
- overseeing the process of evaluating the performance of our board of directors; and
- advising our board of directors on other corporate governance matters.

#### **Codes of Business Conduct and Ethics**

Our board of directors has adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer and other executive and senior financial officers. The full text of our code of conduct is posted on the investor relations section of our website at <http://ir.anaptysbio.com> by clicking on “Governance.” Any amendments or waivers of our Code of Conduct for Directors or our Code of Conduct for Employees pertaining to a member of our board of directors or one of our executive officers will be disclosed on our website at the above-referenced address.

#### **Hedging and Pledging Prohibitions**

Under our Insider Trading Policy, our employees, executive officers, and members of our board of directors are prohibited from engaging in certain speculative transactions including, among other things: (i) acquiring, selling, or trading in any interest or position relating to the future price of our securities, such as a put option, a call option, or a short sale (including a short sale “against the box”); (ii) engaging in hedging or monetization transactions, including prepaid variable forward contracts, equity swaps, collars and exchange funds; or (iii) purchasing our securities on margin, borrowing against any account in which our securities are held, or pledging our securities as collateral for a loan.

#### **Compensation Committee Interlocks and Insider Participation**

None of our executive officers has served as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our board of directors or compensation committee during the year ended December 31, 2022.

#### **Board and Committee Meetings and Attendance**

The board of directors and its committees meet regularly throughout the year and also hold special meetings and act by written consent from time to time. During 2022, the board of directors held five meetings, including by videoconference, the audit committee held four meetings, the compensation committee held five meetings and the nominating and corporate governance committee held two meetings. During 2022, none of the directors attended fewer than 75% of the aggregate of the total number of meetings held by the board of directors during his or her tenure and the total number of meetings held by all committees of the board of directors on which such director served during his or her tenure. The independent members of the board of directors also meet separately without management directors on a regular basis to discuss such matters as the independent directors consider appropriate.

### Board Attendance at Annual Stockholders' Meeting

Nine directors were in attendance at our 2022 annual meeting of stockholders. We invite and encourage each member of our board of directors to attend our annual meetings of stockholders, however, we do not have a formal policy regarding attendance of annual meetings by the members of our board of directors.

### Communication with Directors

Stockholders and interested parties who wish to communicate with our board of directors, non-management members of our board of directors as a group, a committee of the board of directors or a specific member of our board of directors (including our Chairman) may do so by letters addressed to the attention of our Corporate Secretary, AnaptysBio, Inc., 10770 Wateridge Circle, Suite 210, San Diego, CA 92121.

All communications by letter addressed to the attention of our Corporate Secretary will be reviewed by the Corporate Secretary and provided to the members of the board of directors unless such communications are unsolicited items, sales materials and other routine items and items unrelated to the duties and responsibilities of the board of directors.

### Board Diversity

Due to the complex nature of our business, the Board believes it is important to consider diversity of race, ethnicity, gender, sexual orientation, age, education, cultural background, and professional experiences in evaluating board candidates in order to provide practical insights and diverse perspectives. In addition, on our board of directors there are two directors who hold medical doctorates and two directors who hold doctorates in scientific fields. ### Considerations in Evaluating Director Nominees

The nominating and corporate governance committee is responsible for identifying, evaluating and recommending candidates to the board of directors for board membership. A variety of methods are used to identify and evaluate director nominees, with the goal of maintaining and further developing a diverse, experienced and highly qualified board of directors. Candidates may come to our attention through current members of our board of directors, professional search firms, stockholders or other persons.

The nominating and corporate governance committee will recommend to the board of directors for selection all nominees to be proposed by the board of directors for election by the stockholders, including approval or recommendation of a slate of director nominees to be proposed by the board of directors for election at each annual meeting of stockholders, and will recommend all director nominees to be appointed by the board of directors to fill interim director vacancies.

Our board of directors encourages selection of directors who will contribute to the Company's overall corporate goals. The nominating and corporate governance committee may from time to time review and recommend to the board of directors the desired qualifications, expertise and characteristics of directors, including such factors as business experience, diversity and personal skills in life sciences and biotechnology, finance, marketing, financial reporting and other areas that are expected to contribute to an effective board of directors. Exceptional candidates who do not meet all of these criteria may still be considered. In evaluating potential candidates for the board of directors, the nominating and corporate governance committee considers these factors in the light of the specific needs of the board of directors at that time.

In addition, under our Corporate Governance Guidelines, a director is expected to spend the time and effort necessary to properly discharge such director's responsibilities. Accordingly, a director is expected to regularly attend meetings of the board of directors and committees on which such director sits, and to review prior to meetings material distributed in advance for such meetings. Thus, the number of other public company boards and other boards (or comparable governing bodies) on which a prospective nominee is a member, as well as his or her other professional responsibilities, will be considered. Under our Corporate Governance Guidelines, there are no limits on the number of three-year terms that may be served by a director. However, in connection with evaluating recommendations for nomination for reelection, the nominating and corporate governance committee considers director tenure. We value diversity on a company-wide basis, but have not adopted a specific policy regarding board diversity.

#### **Stockholder Recommendations for Nominations to the Board of Directors**

The nominating and corporate governance committee will consider properly submitted stockholder recommendations for candidates for our board of directors who meet the minimum qualifications as described above. The nominating and corporate governance committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. A stockholder of record can nominate a candidate for election to the board of directors by complying with the procedures in Article I, Section 1.12 of our Bylaws. Any eligible stockholder who wishes to submit a nomination should review the requirements in the Bylaws on nominations by stockholders. Any nomination should be sent in writing to our Corporate Secretary, AnaptysBio, Inc., 10770 Wateridge Circle, Suite 210, San Diego, CA 92121. Submissions must include the full name of the proposed nominee, complete biographical information, a description of the proposed nominee's qualifications as a director, other information regarding the nominee and proposing stockholder as specified in our Bylaws, and certain representations regarding the nomination. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. These candidates are evaluated at meetings of the nominating and corporate governance committee, and may be considered at any point during the year. If any materials are provided by a stockholder in connection with the recommendation of a director candidate, such materials are forwarded to the nominating and corporate governance committee.

All proposals of stockholders that are intended to be presented by such stockholder at an annual meeting of stockholders must be in writing and notice must be delivered to the Corporate Secretary at our principal executive offices not later than the close of business on the 75th day nor earlier than the close of business on the 105th day prior to the first anniversary of the preceding year's annual meeting. Stockholders are also advised to review our Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations. In addition to satisfying the foregoing requirements under the Bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees for the 2024 Annual Meeting of Stockholders must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act.

**PROPOSAL NO. 1**  
**ELECTION OF CLASS III DIRECTORS**

Our board of directors is divided into three classes. Each class serves for three years, with the terms of office of the respective classes expiring in successive years. Directors and director nominees in Class III will stand for election at this meeting. The terms of office of directors in Class II and Class I do not expire until the annual meetings of stockholders to be held in 2025 and 2024, respectively.

Our Class III directors, whose terms will expire at this Annual Meeting, are Dr. Marquet, Mr. Renton and Mr. Schmid.

Our nominating and corporate governance committee recommended to our board of directors, and our board of directors nominated, Dr. Marquet, Mr. Renton and Mr. Schmid, each an incumbent Class III director, for election as Class III directors at the Annual Meeting. At the recommendation of our nominating and corporate governance committee, our board of directors proposes that each of Dr. Marquet, Mr. Renton and Mr. Schmid be elected as a Class III director for a three-year term expiring at the annual meeting of stockholders to be held in 2026 and until such director's successor is duly elected and qualified or until such director's earlier resignation or removal.

Each director will be elected by a plurality of the votes present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the three individuals nominated for election to the board of directors at the meeting receiving the highest number of "FOR" votes will be elected. You may either vote "FOR" one or more nominees or "WITHHOLD" your vote with respect to any or all of the individuals nominated for election to the board of directors. A "WITHHOLD" vote will have the same effect as an abstention. You may not cumulate votes in the election of directors. Shares represented by proxies will be voted "FOR" the election of each of the Class III nominees, unless the proxy is marked to withhold authority to so vote. If any nominee for any reason is unable to serve, the proxies may be voted for such substitute nominee as the proxy holders, who are officers of our company, determine. Each nominee has consented to being named in this proxy statement and to serve if elected. Proxies may not be voted for more than three directors.

**RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee has selected KPMG LLP as our principal independent registered public accounting firm to perform the audit of our consolidated financial statements for the fiscal year ending December 31, 2023. KPMG LLP audited our financial statements for the fiscal years ended December 31, 2022 and 2021. We expect that representatives of KPMG LLP will be present at the Annual Meeting, will be able to make a statement if they so desire and will be available to respond to appropriate questions.

At the Annual Meeting, the stockholders are being asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Our audit committee is submitting the selection of KPMG LLP to our stockholders because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the audit committee would reconsider the appointment. Notwithstanding its selection and even if our stockholders ratify the selection, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in our best interests and the interests of our stockholders.

The following table presents fees for services rendered by KPMG LLP for the years ended December 31, 2022 and 2021 (in thousands).

**PROPOSAL NO. 3**  
**NON-BINDING ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

We are seeking a non-binding, advisory stockholder vote on the compensation awarded to our named executive officers for the fiscal year ended December 31, 2022, known as a “Say on Pay” vote.

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with Section 14A of the Exchange Act. At our 2019 annual meeting of stockholders, we asked our stockholders to express a preference for the frequency of our Say on Pay vote. The majority of our stockholders voted to hold the Say on Pay vote on an annual basis, and therefore, based on that vote, we present this vote every year.

As described in detail in the “Executive Compensation” section of this proxy statement, our compensation program is designed to reward our executive officers at a level consistent with our overall strategic and financial performance and to provide remuneration sufficient to attract, retain and motivate them to exert their best efforts and create a successful company. Our philosophy is to tie a greater percentage of an executive officer’s compensation to stockholder returns and to keep cash compensation at a competitive level while providing the opportunity to be well-rewarded through equity if we perform well over time. We believe that our executive compensation program, with its balance of short-term incentives (including base salary and annual cash incentives tied to performance measures) and long-term incentives (including equity awards) reward sustained performance that is aligned with long-term stockholder interests. Stockholders are encouraged to read the Executive Compensation section of this proxy statement.

Based on the above, we request that stockholders approve, on a non-binding advisory basis, the compensation of our named executive officers as described in this proxy statement pursuant to the following resolution:

**RESOLVED**, that the compensation paid to AnaptysBio’s named executive officers, as disclosed in this proxy statement, including the “Executive Compensation” section, compensation tables and narrative discussion, is hereby **APPROVED**.

**Vote Required**

Approval of named executive officer compensation requires the approval of a majority of the votes present or represented by proxy and voted for or against the matter.

As an advisory vote, this proposal is non-binding. Although the vote is non-binding, our board of directors and compensation committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF PROPOSAL NO. 3.**

**PROPOSAL NO. 4**  
**APPROVAL OF AN AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO PERMIT THE EXCULPATION OF OFFICERS**

Section 102(b)(7) of the General Corporation Law of the State of Delaware was amended effective August 1, 2022 to authorize exculpation of officers of Delaware corporations. Specifically, the amendment permits Delaware corporations to exculpate their officers, in addition to their directors, for personal liability for breach of the duty of care in certain actions. This exculpation would not protect officers from liability for breach of the duty of loyalty, acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, or any transaction in which the officer derived an improper personal benefit. Nor would this exculpation shield such officers from liability for claims brought by or in the right of the corporation, such as derivative claims.

Our board of directors believes it is necessary to provide protection to officers to the fullest extent permitted by law in order to attract and retain highly-qualified senior leadership. The nature of the role of directors and officers often requires them to make decisions on crucial matters often in time-sensitive situations, which can create substantial risk of investigations, claims, actions, suits or proceedings seeking to impose liability on the basis of hindsight, especially in the current litigious environment and regardless of merit. Limiting concern about personal risk would empower both directors and officers to best exercise their business judgment in furtherance of stockholder interests. We expect competitor companies will likely adopt exculpation clauses that limit the personal liability of officers in their charters and failing to adopt the amendment could negatively affect our ability to recruit and retain high-caliber officer candidates.

The proposed amendment is not being proposed in response to any specific resignation, threat of resignation or refusal to serve by any director or officer. This protection has long been afforded to directors, and our board of directors believes that extending similar exculpation to its officers is fair and in the best interests of the Company and its stockholders. Accordingly, our board of directors has unanimously approved the Amended and Restated Certificate of Incorporation (“Proposed Restated Certificate of Incorporation”) in the form attached hereto as Appendix A and recommends that our stockholders vote “FOR” the Proposed Restated Certificate of Incorporation.

If our stockholders approve the Proposed Restated Certificate of Incorporation, our board of directors has authorized our officers to file the Proposed Restated Certificate of Incorporation with the Delaware Secretary of State, to become effective upon acceptance by the Delaware Secretary of State. Our board of directors intends to have that filing made if, and as soon as practicable after, this proposal is approved at this annual meeting.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF PROPOSAL NO. 4.**

### **Executive Compensation Policies and Practices**

We endeavor to maintain sound compensation governance standards consistent with our executive compensation policies and practices. Our compensation committee evaluates our executive compensation program on a regular basis (and no less than annually) to ensure that it is consistent with our short-term and long-term goals given the dynamic nature of our

business and the market in which we compete for executive talent. The following summarizes our executive compensation and related policies and practices:

### **What We Do**

- **Maintain an Independent Compensation Committee.** Our compensation committee consists solely of independent directors who establish our compensation practices.
- **Retain an Independent Compensation Advisor.** Our compensation committee has engaged its own compensation consultant to provide information, analysis, and other advice on executive compensation independent of management. This consultant performed no other consulting or other services for us in 2022.
- **Annual Executive Compensation Review.** Our compensation committee conducts an annual review and approval of our compensation strategy, including a review and determination of our compensation peer group used for comparative purposes and a review of our compensation-related risk profile to ensure that our compensation programs do not encourage excessive or inappropriate risk-taking and that the level of risk that they do encourage is not reasonably likely to have a material adverse effect on us.
- **Compensation At-Risk.** Our executive compensation program is designed so that a significant portion of each of our Named Executive Officer's compensation is "at-risk" based on corporate performance, as well as equity-based, to align the interests of our executive officers and stockholders.
- **Use a "Pay-for-Performance" Philosophy.** The majority of our Named Executive Officers' compensation is directly linked to corporate performance through short-term performance-based annual bonuses and long-term equity awards; we also structure their target total direct compensation opportunities with a strong emphasis on the long-term equity component, thereby making a substantial portion of each Named Executive Officer's target total direct compensation dependent upon our stock price performance.
- **Succession Planning.** On an as-needed basis, we review the risks associated with our Named Executive Officer positions to ensure adequate succession plans are in place.

### **What We Do Not Do**

- **No Guaranteed Bonuses.** We do not provide guaranteed bonuses to our Named Executive Officers.
- **No Executive Retirement Plans.** We do not currently offer defined benefit pension plans or any non-qualified deferred compensation plans or arrangements to our Named Executive Officers other than the plans and arrangements that are available to employees generally.
- **No Hedging or Pledging.** We prohibit our employees (including our Named Executive Officers) and the non-employee members of our board of directors from hedging or pledging our securities.
- **No Special Welfare or Health Benefits.** We do not provide our Named Executive Officers with any welfare or health benefit programs, other than participation in our broad-based employee programs.

### ***Stockholder Advisory Vote to Approve Named Executive Officer Compensation***

At our 2022 Annual Meeting of Stockholders, we conducted our non-binding stockholder advisory vote on the compensation of our named executive officers (commonly known as a "Say-on-Pay" vote). Approximately 95% of the votes cast approved our executive compensation program for 2021. Our board of directors and our compensation committee consider the result of the Say-on-Pay vote in determining the compensation of our executive officers, including our named executive officers. Based on the strong level of support for our executive compensation program demonstrated by the result of last year's Say-on-Pay vote, among other factors, our board of directors and our compensation committee determined not to implement significant changes to our executive compensation program for 2022.

We value the opinion of our stockholders. Our board of directors and our compensation committee will continue to consider the result of the Say-on-Pay vote, as well as feedback received throughout the year, when making compensation decisions for our executive officers.

In addition, consistent with the recommendation of our board of directors and the preference of our stockholders as reflected in the non-binding stockholder advisory vote on the frequency of future Say-on-Pay votes held at our 2019 Annual Meeting of Stockholders, we continue to hold future Say-on-Pay votes on an annual basis. Accordingly, after the vote at the Annual Meeting to which this Proxy Statement relates, our next Say-on-Pay vote will be conducted at our 2024 Annual Meeting of Stockholders.

### ***Executive Compensation Objectives***

The principal objectives of our executive compensation program, policies, and practices are to:

- offer competitive compensation which enables us to attract and retain high-caliber executives;
- reward the achievement of our business objectives by directly linking annual bonuses to the achievement of objectives that build long-term stockholder value;
- recognize both corporate and individual performance by providing opportunities for career advancement and opportunities for above-median short-term and long-term compensation based on measurable corporate and individual performance; and
- aligning the interests of our executives with those of our stockholders by incentivizing and rewarding the creation of stockholder value.

Our executive compensation program has reflected, and we expect that it will continue to reflect, our industry and life-cycle stage, including the fact that we are a biotechnology company whose product candidates are in pre-clinical and clinical development and remain subject to regulatory approval. As a result, our revenues have been and will continue to be limited, and we expect to continue to incur net losses for at least the next several years. In an effort to preserve cash resources, our historical compensation programs have focused on long-term incentive compensation in the form of equity awards relative to cash compensation. This approach seeks to place a substantial portion of executive compensation at risk by rewarding our Named Executive Officers, in a manner comparable to our stockholders, for achieving our business and financial objectives.

In addition to long-term incentive compensation, we have also implemented an annual performance-based cash bonus plan for our Named Executive Officers. Payments under this cash bonus plan are based primarily on our level of achievement of pre-established corporate performance goals to reflect the fact that our Named Executive Officers make the key strategic decisions influencing our Company as a whole.

When considering the total variable pay-mix for our executive officers, we seek to design and implement a competitive executive compensation program that combines both cash and incentive elements based on annual performance objectives and long-term equity elements that will be flexible and complementary to meet our compensation objectives. Our compensation committee has not adopted any formal policies or guidelines for allocating compensation between current and long-term compensation, between cash and non-cash compensation, or among different forms of non-cash compensation.

### ***Role of Compensation Consultant***

Our compensation committee engages an external compensation consultant to assist it by providing information, analysis, and other advice relating to our executive compensation program and the decisions resulting from its annual executive compensation review. The compensation consultant reports directly to our compensation committee and its chair, and serves at the discretion of our compensation committee, which reviews the engagement annually.

For 2022, our compensation committee retained Compensia to serve as its compensation advisor to advise on executive compensation matters, including competitive market pay practices for our executive officers, and with the data analysis and selection of the compensation peer group.

### ***Competitive Positioning***

In 2022, our compensation committee directed Compensia to again refresh our compensation peer group in light of our adjusted market capitalization. In evaluating the companies to comprise the compensation peer group at that time, Compensia considered the following criteria: (i) biotechnology and pharmaceutical companies with therapeutic similarity in

inflammation, immune-oncology, and other antibody-based therapies; (ii) with lead drugs in phase II or III or pending approval; (iii) 25 - 230 employees; and (iv) a market capitalization of 0.33x to 3.0x our market capitalization.

Based on a review of the analysis prepared by Compensia, in September 2022 our compensation committee approved an updated compensation peer group, referred to as the 2022 peer group, consisting of the following companies:

Aeglea BioTherapeutics	CytomX Therapeutics	Prothena
Arcus Biosciences	Five Prime Therapeutics	Sangamo Therapeutics
Atara Biotherapeutics	Gossamer Bio	Seres Therapeutics
Calthera Biosciences	ImmunoGen	Syndax Pharmaceuticals
Constellation Pharmaceuticals	Jounce Therapeutics	Voyager Therapeutics
Corbus Pharmaceuticals	Kura Oncology	ZIOPHARM Oncology
CymaBay Therapeutics	MacroGenics	

Our compensation committee used this compensation peer group as a reference for its compensation decisions in December 2022.

The compensation practices of the applicable compensation peer group was the primary guide used by our compensation committee to compare the competitiveness of each compensation element and overall compensation levels (base salary, target annual cash bonus opportunities, and long-term incentive compensation) for purposes of decisions relating to compensation.

Our compensation committee reviews our compensation peer group each year (unless there have been significant changes to either our business model or market capitalization) and makes adjustments to its composition if warranted, taking into account changes in both our business and the businesses of the companies in the peer group.

## Pay-Versus-Performance

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(v) of Regulation S-K, we are providing the following disclosure regarding executive compensation our NEOs our total shareholder return and our net income. Those rules require amounts included in the “compensation actually paid” columns of the table to be calculated according to a particular formula intended to demonstrate the relationship between executive compensation actually paid to a company’s NEOs and the company’s performance. The formula reflects a number of fair value adjustments to equity awards intended to show the change in value of those awards from one year to another. They do not reflect, however, the precise amounts actually earned by or paid to our executives during the years shown in the table.

The Compensation Committee approves and administers our executive compensation program to align executive compensation with stockholder interests by linking pay to performance. Our overall compensation program includes a mix of short-term and long-term components through our annual incentive plan and equity awards. In 2022, there was a change to our executive management team with the departure of our tenured Chief Executive Officer, Hamza Suria (“PEO 2”), from the company on March 20, 2022. Compensation Actually Paid and Company TSR<sup>1</sup>

The PEOs in 2022 consist of two individuals with non-standard annual compensation in 2022 compared to the prior year: PEO 1 was a new hire interim Chief Executive Officer appointed within the first quarter of the fiscal year; PEO 2 entered a separation agreement with the company at the beginning of fiscal year 2022. This alignment of compensation actually paid for our NEOs with our cumulative TSR over the period presented is because a significant portion of the compensation actually paid to our executive team is comprised of equity awards.

1. Cumulative TSR is calculated by dividing the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and the difference between the Company's share price at the end and the beginning of the measurement period by the Company's share price at the beginning of the measurement period.

Compensation Actually Paid and Net Income<sup>1</sup>

The following graph displays our compensation actually paid vs. net income. As a pre-commercial biotechnology company, we do not believe net income is yet a reasonable metric to measure our financial performance.

1. Net Income is calculated by subtracting expenses, interest, and taxes from revenue. The dollar amounts reported represent the amount of Net Income reflected in the Company's audited financial statements for the applicable year.

## Employment Agreements

The terms and conditions of employment of each of Mr. Faga, Dr. Lizzul and Mr. Loumeau are set forth in written employment agreements. Each of these arrangements was approved by our board of directors. Prior to his resignation as our Chief Executive Officer, effective March 20, 2022, Mr. Suria was party to a written employment agreement with us, and following his resignation, he is party to a separation agreement and a consulting agreement with us. In connection with his appointment as our Interim President and Chief Executive Officer, effective March 21, 2022, we entered into a written employment agreement with Mr. Faga. We believed these employment agreements were necessary to induce these individuals to forego other employment opportunities or leave their current employer for the uncertainty of a demanding position in a new and unfamiliar organization. We believe the separation agreement and consulting agreement we entered into with Mr. Suria were necessary to induce Mr. Suria to provide transition support.

### **Mr. Faga's Employment Agreement**

Mr. Faga was appointed our Interim President and Chief Executive Officer, effective March 21, 2022. The Company has entered into an employment agreement, dated March 21, 2022, or the Faga Employment Agreement, with Mr. Faga in connection with his appointment, which sets forth the principal terms and conditions of his employment as the Company's Interim President and Chief Executive Officer, including his initial annual base salary of \$603,580 and an annual target cash bonus opportunity of up to 55% of his base salary, which bonus may be earned based upon the achievement of specified performance goals (and which will be prorated for his partial year of service). Mr. Faga also received an equity grant consisting of 887,043 restricted stock units with associated dividend equivalent rights payable as the RSU award vests. The RSU award will vest on the 24-month anniversary of his March 21, 2022 start date. The Faga Employment Agreement will continue for a two-year term with an automatic renewal for one year unless there is 3 months' written notice by either party or unless it is terminated pursuant to its terms, however Mr. Faga's employment is at-will and may be terminated at any time, with or without cause. However, pursuant to the terms of the Faga Employment Agreement, Mr. Faga will be entitled to severance benefits upon a qualifying termination of employment as described in "-Potential Payments upon Termination or Change in Control" below.

### **Mr. Suria's Separation Agreement and Consulting Agreement**

Mr. Suria previously served as our President and Chief Executive Officer. Mr. Suria resigned from his position on March 20, 2022. In connection with Mr. Suria's resignation, the Company entered into a separation agreement, dated March 20, 2022, with Mr. Suria regarding the terms of his separation from the Company, pursuant to which, among other things, Mr. Suria's employment agreement with the Company was terminated, and in exchange for executing a general release of claims in favor of the Company, for a period of 12 months, Mr. Suria is entitled to receive salary continuation payments of his then-current base salary of \$603,580 and reimbursement for his COBRA premiums. In addition, the Company entered into a consulting agreement with Mr. Suria, pursuant to which Mr. Suria was engaged as a consultant to provide transition support through March 21, 2023. Mr. Suria's outstanding equity awards continued vesting pursuant to their terms during his consultancy.

Pursuant to an employment agreement effective as of July 31, 2020, as amended on April 25, 2022, or the Lizzul Employment Agreement, Dr. Lizzul serves as our Chief Medical Officer. The Lizzul Employment Agreement set forth the principal terms and conditions of his employment, including his annual base salary, subject to periodic review and an annual target cash bonus opportunity of up to 40% of his base salary, which bonus is earned based on our achievement of performance goals established by our chief executive officer, the achievement of which is evaluated by our chief executive officer and board of directors. Dr. Lizzul's employment is at will and may be terminated at any time, with or without cause. However, pursuant to the terms of the Lizzul Employment Agreement, Dr. Lizzul will be entitled to severance benefits upon a qualifying termination of employment as described in "-Potential Payments upon Termination or Change in Control" below.

### **Mr. Loumeau's Employment Agreement**

Pursuant to an employment agreement effective as of July 15, 2020, as amended on April 25, 2022, or the Loumeau Employment Agreement, Mr. Loumeau serves as our Chief Operating Officer and General Counsel. The Loumeau Employment Agreement set forth the principal terms and conditions of his employment, including his annual base salary, subject to periodic review and an annual target cash bonus opportunity of up to 45% of his base salary, which bonus is earned based on our achievement of performance goals established by our chief executive officer, the achievement of which is evaluated by our chief executive officer and board of directors. Mr. Loumeau's employment is at will and may be terminated at any time, with or without cause. However, pursuant to the terms of the Loumeau Employment Agreement, Mr. Loumeau will be entitled to severance benefits upon a qualifying termination of employment as described in "-Potential Payments upon Termination or Change in Control" below.

## **Potential Payments upon Termination or Change in Control**

### **Termination**

Pursuant to the Faga Employment Agreement, the Lizzul Employment Agreement and the Loumeau Employment Agreement, in the event that Mr. Faga, Dr. Lizzul or Mr. Loumeau is terminated without “cause” or resigns for “good reason” (each as defined in the applicable employment agreement), provided that each delivers a signed settlement and general release in favor of us and satisfies all conditions to make such release effective, (i) in the case of Mr. Faga, he will receive continued severance payments for twelve months, and in the case of Dr. Lizzul and Mr. Loumeau, nine months, and (ii) and if each elects continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”), we will pay directly to the insurance provider of our group health plans, the monthly premium for such continuation coverage for each officer and his family, for twelve months, in the case of Mr. Faga, and nine months, in the case of Dr. Lizzul and Mr. Loumeau, or such earlier date on which coverage with a new employer is obtained.

### **Change in Control**

Pursuant to the Faga Employment Agreement and certain of his outstanding stock option agreements, if we experience a change of control and Mr. Faga is terminated without “cause” or resigns for “good reason” (each as defined in the Faga Employment Agreement) upon the occurrence of, or within 13 months following, such change of control, and provided that Mr. Faga delivers a signed settlement and general release in favor of us and satisfies all conditions to make such release effective, (i) Mr. Faga will receive the continued severance payments and COBRA premiums described above for eighteen months and (ii) a bonus payment equal to his target bonus payment for the year, (iii) a prorated bonus based on actual achievement by the Company of goals for the year, and (iv) all of Mr. Faga’s outstanding equity awards, including his RSU award, will vest in full. Pursuant to the Faga Employment Agreement, if within the 24-month anniversary of his March 21, 2022 appointment, any payment to Mr. Faga would constitute a “parachute payment” within the meaning of Section 280G of the Internal Revenue Code of 1986 and be subject to an excise tax by Section 4999, then such payment shall be grossed up so that Mr. Faga receives the same amount after imposition of the excise tax as he would have received had no excise tax been imposed.

Pursuant to each of the Lizzul Employment Agreement and the Loumeau Employment Agreement, if we experience a change in control and Dr. Lizzul or Mr. Loumeau, as applicable, is terminated without “cause” or resigns for “good reason” (each as defined in each of the Lizzul Employment Agreement and the Loumeau Employment Agreement) upon the occurrence of, or within 13 months following, such change of control, and provided that Dr. Lizzul or Mr. Loumeau, as applicable, delivers a signed settlement and general release in favor of us and satisfies all conditions to make such release effective, (i) Dr. Lizzul or Mr. Loumeau, as applicable, will receive the severance payments and COBRA premiums described above for twelve months, (ii) Dr. Lizzul's or Mr. Loumeau's, as applicable, currently outstanding stock options will vest in full, and (iii) Dr. Lizzul or Mr. Loumeau, as applicable, will receive the full payment of his target bonus and a prorated payment of his actual bonus for the applicable year of termination.

Each of the Lizzul Employment Agreement and the Loumeau Employment Agreement contains a “better after-tax” provision, which provides that if any of the payments to Dr. Lizzul or Mr. Loumeau, respectively, constitutes a parachute payment under Section 280G of the Code, the payments will either be (i) reduced or (ii) provided in full to the executive, whichever results in the executive receiving the greater amount after taking into consideration the payment of all taxes, including the excise tax under Section 4999 of the Code, in each case based upon the highest marginal rate for the applicable tax.

### **Executive Benefits**

Our named executive officers are eligible to participate in our employee benefit plans on the same basis as our other employees, including our health and welfare plans.

## CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

From January 1, 2021 to the present, there have been no transactions, and there are currently no proposed transactions, in which the amount involved exceeds \$120,000 to which we or any of our subsidiaries was (or is to be) a party and in which any director, director nominee, executive officer, holder of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals, had (or will have) a direct or indirect material interest, except for payments set forth under “Proposal One” and “Executive Compensation” above.

### **Policies and Procedures for Related Party Transactions**

We adopted a written related person transactions policy providing that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of our common stock, and any members of the immediate family of and any entity affiliated with any of the foregoing persons, are not permitted to enter into a transaction with us in which the amount involved exceeds \$120,000 without the review and approval of our audit committee, or a committee composed solely of independent directors in the event it is inappropriate for our audit committee to review such transaction due to a conflict of interest. In approving or rejecting any such proposal, our audit committee will consider the relevant facts and circumstances available and deemed relevant to the audit committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person’s interest in the transaction.

## ADDITIONAL INFORMATION

### **Stockholder Proposals to be presented at Next Annual Meeting**

*Requirements for Stockholder Proposals to be Brought Before an Annual Meeting.* Our bylaws provide that for stockholder nominations to our board of directors or other proposals to be considered at an annual meeting, the stockholder must give timely notice thereof in writing to the Corporate Secretary at AnaptysBio, Inc., 10770 Wateridge Circle, Suite 210, San Diego, CA 92121.

To be timely for our company's 2024 annual meeting of stockholders, a stockholder's notice must be delivered to or mailed and received by our Corporate Secretary at our principal executive offices not earlier than the close of business on February 29, 2024 and not later than the close of business on March 30, 2024. A stockholder's notice to the Corporate Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting the information required by applicable law and our bylaws. In no event will the public announcement of an adjournment or a postponement of our annual meeting commence a new time period for the giving of a stockholder's notice as provided above.

*Requirements for Stockholder Proposals to be Considered for Inclusion in our Proxy Materials.* Stockholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act and intended to be presented at our 2024 annual meeting of stockholders must be received by us not later than December 31, 2023 in order to be considered for inclusion in our proxy materials for that meeting. A stockholder's notice to the Corporate Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting the information required by applicable law and our bylaws.

### **Available Information**

We will mail without charge, upon written request, a copy of our annual report on Form 10-K for the year ended December 31, 2022, including the financial statements and list of exhibits, and any exhibit specifically requested. Requests should be sent to:

**10770 Wateridge Circle, Suite 210  
San Diego, CA 92121  
Attn: Corporate Secretary**

The annual report on Form 10-K is also available at <http://ir.anaptysbio.com>.

### **“Householding” - Stockholders Sharing the Same Address**

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report on Form 10-K and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided other instructions. This procedure reduces printing costs and postage fees and helps protect the environment as well.

We expect that a number of brokers with account holders who are our stockholders will be “householding” our annual report on Form 10-K and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report on Form 10-K and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. You may revoke your consent at any time by contacting your broker.

Upon written or oral request, we will undertake to promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report on Form 10-K and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability and, if applicable, annual report on Form 10-K and other proxy materials, you may write our Corporate Secretary at 10770 Wateridge Circle, Suite 210, San Diego, CA 92121, or call 1 (858) 362-6348.

Any stockholders who share the same address and currently receive multiple copies of our Notice of Internet Availability or annual report on Form 10-K and other proxy materials who wish to receive only one copy in the future can contact their

bank, broker or other holder of record to request information about “householding” or our Corporate Secretary at the address or telephone number listed above.

#### **OTHER MATTERS**

Our board of directors does not presently intend to bring any other business before the meeting and, so far as is known to the board of directors, no matters are to be brought before the meeting except as specified in the notice of the meeting. As to any business that may arise and properly come before the meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

**ARTICLE III: PURPOSE**

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the Delaware General Corporation Law (“**DGCL**”).

**ARTICLE IV: AUTHORIZED STOCK**

**1. Total Authorized.** The total number of shares of all classes of stock that the Corporation has authority to issue is Five Hundred and Ten Million (510,000,000) shares, consisting of two classes: Five Hundred Million (500,000,000) shares of Common Stock, \$0.001 par value per share (“**Common Stock**”), and Ten Million (10,000,000) shares of Preferred Stock, \$0.001 par value per share (“**Preferred Stock**”).

**2. Designation of Additional Series.**

2.1. The Board of Directors of the Corporation (the “**Board**”) is authorized, subject to any limitations prescribed by the law of the State of Delaware, to provide for the issuance of the shares of Preferred Stock in one or more series, and, by filing a Certificate of Designation pursuant to the applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, to fix the designation, vesting, powers, preferences and relative, participating, optional or other rights, if any, of the shares of each such series and any qualifications, limitations or restrictions thereof, and to increase (but not above the total number of authorized shares of the class) or decrease (but not below the number of shares of such series then outstanding) the number of shares of any such series. The number of authorized shares of Preferred Stock may also be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of two-thirds of the voting power of all the then-outstanding shares of capital stock of the Corporation entitled to vote thereon, without a vote of the holders of the Preferred Stock, unless a vote of any such holders is required pursuant to the terms of any certificate or certificates establishing a series of Preferred Stock.

2.2. Except as otherwise expressly provided in any Certificate of Designation designating any series of Preferred Stock pursuant to the foregoing provisions of this Article IV, any new series of Preferred Stock may be designated, fixed and determined as provided herein by the Board without approval of the holders of Common Stock or the holders of Preferred Stock, or any series thereof, and any such new series may have powers, preferences and rights, including, without limitation, voting rights, dividend rights, liquidation rights, redemption rights and conversion rights, senior to, junior to or pari passu with the rights of the Common Stock, the Preferred Stock or any future class or series of Preferred Stock or Common Stock.

2.3. Each outstanding share of Common Stock shall entitle the holder thereof to one vote on each matter properly submitted to the stockholders of the Corporation for their vote; *provided, however*, that, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together as a class with the holders of one or more other such series, to vote thereon pursuant to this Amended and Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock).

## ARTICLE V: AMENDMENT OF BYLAWS

The Board shall have the power to adopt, amend or repeal the Bylaws of the Corporation. Any adoption, amendment or repeal of the Bylaws of the Corporation by the Board shall require the approval of a majority of the Whole Board. For purposes of this Amended and Restated Certificate of Incorporation, the term “**Whole Board**” shall mean the total number of authorized directors whether or not there exist any vacancies in previously authorized directorships. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the Corporation; *provided, however*, that in addition to any vote of the holders of any class or series of stock of the Corporation required by law or by this Amended and Restated Certificate of Incorporation (including any Preferred Stock issued pursuant to a Certificate of Designation), the affirmative vote of the holders of at least two-thirds of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of the Bylaws of the Corporation; provided, further, that if two-thirds of the Whole Board has approved such adoption, amendment or repeal of any provisions of the Bylaws, then only the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote thereon, voting together as a single class, shall be required to adopt, amend or repeal any provision of the Bylaws of the Corporation.

## ARTICLE VI: MATTERS RELATING TO THE BOARD OF DIRECTORS

**1. Director Powers.** The business and affairs of the Corporation shall be managed by or under the direction of the Board. In addition to the powers and authority expressly conferred upon them by statute or by this Amended and Restated Certificate of Incorporation or the Bylaws of the Corporation, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation.

**2. Number of Directors.** Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, the number of directors shall be fixed from time to time exclusively by resolution adopted by a majority of the Whole Board.

**3. Classified Board.** Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, the directors shall be divided, with respect to the time for which they severally hold office, into three classes designated as Class I, Class II and Class III, respectively (the “**Classified Board**”). The Board may assign members of the Board already in office to the Classified Board, which assignments shall become effective at the same time the Classified Board becomes effective. Directors shall be assigned to each class in accordance with a resolution or resolutions adopted by the Board, with the number of directors in each class to be divided as nearly equal as reasonably possible. The initial term of office of the Class I directors shall expire at the Corporation's first annual meeting of stockholders following the closing of the Corporation's initial public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, relating to the offer and sale of Common Stock to the public (the “**Initial Public Offering**”), the initial term of office of the Class II directors shall expire at the Corporation's second annual meeting of stockholders following the closing of the Initial Public Offering and the initial term of office of the Class III directors shall expire at the Corporation's third annual meeting of stockholders following the closing of the Initial Public Offering. At each annual meeting of stockholders following the closing of the Initial Public Offering, directors elected to succeed those directors of the class whose terms then expire shall be elected for a term of office to expire at the third succeeding annual meeting of stockholders after their election.

**4. Term and Removal.** Each director shall hold office until such director's successor is elected and qualified, or until such director's earlier death, resignation or removal. Any director may resign at any time upon notice to the Corporation given in writing or by any electronic transmission permitted in the Corporation's Bylaws. Subject to the rights of the holders of any series of Preferred Stock, no director may be removed except for cause and only by the affirmative vote of the holders of at least two-thirds of the voting power of the then-outstanding shares of capital stock of the Corporation then entitled to vote at an election of directors voting together as a single class. No decrease in the authorized number of directors constituting the Board shall shorten the term of any incumbent director.

**5. Board Vacancies.** Subject to the rights of the holders of any series of Preferred Stock, any vacancy occurring in the Board for any cause, and any newly created directorship resulting from any increase in the authorized number of directors, shall, unless (a) the Board determines by resolution that any such vacancies or newly created directorships shall be filled by the stockholders or (b) as otherwise provided by law, be filled only by the affirmative vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director, and not by the stockholders. Any director elected in accordance with the preceding sentence shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which the director has been

assigned expires or until such director's successor shall have been duly elected and qualified, or until such director's earlier death, resignation or removal.

**6. Vote by Ballot.** Election of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

#### **ARTICLE VII: DIRECTOR AND OFFICER LIABILITY**

**1. Limitation of Liability.** To the fullest extent permitted by law, neither a director nor an officer of the Corporation shall be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable. Without limiting the effect of the preceding sentence, if the DGCL is hereafter amended to authorize the further elimination or limitation of the liability of a director or officer, then the liability of a director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

**2. Change in Rights.** Neither any amendment nor repeal of this Article VII, nor the adoption of any provision of this Amended and Restated Certificate of Incorporation inconsistent with this Article VII, shall eliminate, reduce or otherwise adversely affect any limitation on the personal liability of a director of the Corporation existing at the time of such amendment, repeal or adoption of such an inconsistent provision.

#### **ARTICLE VIII: MATTERS RELATING TO STOCKHOLDERS**

**1. No Action by Written Consent of Stockholders.** Subject to the rights of any series of Preferred Stock, no action shall be taken by the stockholders of the Corporation except at a duly called annual or special meeting of stockholders and no action shall be taken by the stockholders by written consent.

**2. Special Meeting of Stockholders.** Special meetings of the stockholders of the Corporation may be called only by the Chairperson of the Board, the Chief Executive Officer, the President or the Board acting pursuant to a resolution adopted by a majority of the Whole Board.

**3. Advance Notice of Stockholder Nominations and Business Transacted at Special Meetings.** Advance notice of stockholder nominations for the election of directors of the Corporation and of business to be brought by stockholders before any meeting of stockholders of the Corporation shall be given in the manner provided in the Bylaws of the Corporation. Business transacted at special meetings of stockholders shall be confined to the purpose or purposes stated in the notice of meeting.

#### **ARTICLE IX: CHOICE OF FORUM**

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (a) any derivative action or proceeding brought on behalf of the Corporation; (b) any action asserting a claim of breach of a fiduciary duty owed by, or other wrongdoing by, any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders; (c) any action asserting a claim against the Corporation (or its directors, officers or other employees) arising pursuant to any provision of the DGCL, this Amended and Restated Certificate of Incorporation or the Bylaws; (d) any action to interpret, apply, enforce or determine the validity of this Amended and Restated Certificate of Incorporation or the Bylaws; or (e) any action asserting a claim against the Corporation governed by the internal affairs doctrine. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Article IX, Furthermore, and without limiting the generality of the foregoing, the Court of Chancery in the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring any internal corporate claims, as such term is defined and used in Section 115 of the DGCL, as may be amended.

#### **ARTICLE X: AMENDMENT OF CERTIFICATE OF INCORPORATION**

If any provision of this Amended and Restated Certificate of Incorporation becomes or is declared on any ground by a court of competent jurisdiction to be illegal, unenforceable or void, portions of such provision, or such provision in its entirety, to the extent necessary, shall be severed from this Amended and Restated Certificate of Incorporation, and the court will replace such illegal, void or unenforceable provision of this Amended and Restated Certificate of Incorporation with a valid and enforceable provision that most accurately reflects the Corporation's intent, in order to achieve, to the maximum extent possible, the same economic, business and other purposes of the illegal, void or

unenforceable provision. The balance of this Amended and Restated Certificate of Incorporation shall be enforceable in accordance with its terms.

The Corporation reserves the right to amend or repeal any provision contained in this Amended and Restated Certificate of Incorporation in the manner prescribed by the laws of the State of Delaware and all rights conferred upon stockholders are granted subject to this reservation; provided, however, that, notwithstanding any other provision of this Amended and Restated Certificate of Incorporation or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any vote of the holders of any class or series of the stock of this Corporation required by law or by this Amended and Restated Certificate of Incorporation, the affirmative vote of the holders of at least two-thirds of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to amend or repeal any provision of this Amended and Restated Certificate of incorporation; provided, further, that if two-thirds of the Whole Board has approved such amendment or repeal of any provisions of this Certificate of Incorporation, then only the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote thereon, voting together as a single class, shall be required to amend or repeal any provision of this Certificate of Incorporation.
